Home-Start Kennet

Everyone needs a bit of help sometimes ...

Home-Start Kennet is celebrating over 30 years of supporting families in our local community. We provide invaluable practical and emotional support to parents with young children, who are struggling to cope with the challenges of family life.

Professional volunteers, all with parenting experience themselves, support families to overcome a wide range of issues such as depression and isolation, and help ease the stress and suffering caused by crisis or tragedy. Our work helps build family resilience and enables parents to give their children the best start in life. Through undertaking training, volunteers also become eligible to apply for accreditation, helping to assist with their own personal development and employability, and contributing to building more resilient communities.

"If it wasn't for Home-Start Kennet's support, I wouldn't be where I am now. I can honestly say that my volunteers have been amazing support to me, and I thank them for helping me through the hardest time in my life ... They have been amazing and understood completely"

Home-Start Kennet are currently recruiting for new volunteers and trustees. Please come and join us – and make a difference to a family in your local community.
