Youth Adventure Trust

The Youth Adventure Trust is a Wiltshire and Swindon based youth development charity that uses outdoor adventure to inspire vulnerable young people in our local community.

In joining our long-term Youth Adventure Programme, young people aged 11-16 have the opportunity to try new things and challenge themselves. Through 3 residential camps, 8 activity days and ongoing support in school and with families, the programme enables young people to build resilience, experience success, and grow in confidence to make positive life choices to achieve their full potential.

The biggest difference I have noticed is how resilient I am. I am more positive now and I keep on trying at things

Katie, age 13

Katie had a difficult start in life as a carer for 3 younger siblings before they were separately adopted. She struggled to cope with her emotions and her self esteem was very low. The programme helped her develop resilience and believe in herself.
